

Nurse Practitioner/Physician's Assistant

Urologist with a specialty emphasis in Uro-Gynecology is looking for a part-time NP/PA. The ideal candidate will have gynecology experience or a minimum of 2 years clinical experience. A solid clinical background with the ability to adapt and integrate new information is imperative. The position will entail working along side the physician with the ultimate goal being to develop their own practice. Please forward resumes to: employment@centralohiourology.com.
