

# TAKE AN ACTIVE ROLE IN YOUR HEALTHCARE

The Patient Portal is a **FREE**, personalized, secure way for you to gain access to your individual medical records.

## THE EASY WAY TO:

- Request Rx Refills
- View lab, imaging and radiology results
- View office notes
- View & Update your health summary
- View appointment history
- Conduct Telehealth visits when using a device with microphone and camera

*Note: Activate your portal online first before downloading the app.*
